BIOINFORMATICS.CA – Canadian Bioinformatics and Computational Biology Strategic Framework – Subscription to more information — Website Privacy and Confidentiality Policy BIOINFORMATICS.CA – Membership Website Privacy and Confidentiality Policy

In addition to the conditions for the use of personal information specified in the OICR Terms and Conditions (<http://www.oicr.on.ca/termsandconditions.htm>), the bioinformatics.ca through its membership application website (<http://bioinformatics.ca/bcb/survey>), collects your personal contact information. This information is collected for the purpose of informing you of upcoming strategic plan information. E-mail addresses are not listed publically, and are not linked to the survey.

For the Survey for the Canadian Bioinformatics and Computational Biology (B/CB) Strategic framework, information describing your research interest and activities, as well as your academic development is solely used to understand and interpret your comment on the B/CB strategic framework feedback, and will only be used in our analysis of your feedback and in aggregated mode to explain and understand the feedback we hope to be receiving. No attempts will be made to identify you with the survey results.

[Bioinformatics.ca](http://bioinformatics.ca) will also collect SEO statistics for improving the site's online presence and impact. If you choose to provide us with additional information about yourself through an email message, any identifying information that you provide will be maintained per stated purpose. [Bioinformatics.ca](http://bioinformatics.ca) will maintain the security and confidentiality of your personal information. Access to this information will be limited to the bioinformatics.ca site administrators as per the stated purpose. The information will be retained for the duration of bioinformatics.ca viability and you will be notified if the intended purpose for the collection of this information changes. If bioinformatics.ca is no longer viable, all personal information will be destroyed in a confidential and secure manner. If you do not want your personal information to be retained and used for the purposes defined please send a request to cbcbf@bioinformatics.ca. Please see the OICR Terms & Conditions (<http://www.oicr.on.ca/termsandconditions.htm>) for further information about the use of your personal information.
